Caption : Remmers Triumph with Industrial Flooring Award

Remmers have won the prestigious FeRFA Award for Large Industrial Flooring Project of The Year.

The award was given for a joint submission by a Manufacturer (Remmers) and Contractor (IRL Group Ltd), for Project Hercules at CDS (part of the Rolls Royce Group), Solihull.

The advanced aerospace manufacturing, research and development facility has brought together two existing aging facilities into one brand new state of the art building.

Meeting challenging onsite conditions and the Clients very specific requirements for both performance and aesthetics, a total of 9,500m² of resin flooring finishes were successfully installed throughout the facility.

Products: Epoxy MT 100, Epoxy PH SL (FeRFA Type 5), Epoxy CR SL (FeRFA Type 5), Epoxy AS (FeRFA Type 4), EP Screed (FeRFA Type 8)
