

REFERENCE

Red Wharf Bay Sailing & Watersports Club, Anglesey

Application Field

- Wood preservation - wood houses / wood facades

Structure Type

- Stadiums / arenas / sport facilities

Brief Description

Red Wharf Bay Sailing & Watersports Club is set in an area of outstanding beauty at Traeth Bychan on the Isle of Anglesey, North Wales. The member's clubhouse has been sited here for over 50 years due to its suitable sailing waters and now offers families a facility to sail in a safe and friendly manner, mainly during the summer holiday season.

Main Problem and Requirements

The members of the committee, decided that the outside of the building was a little tired looking and a revamp and spruce up was needed before the new season started at Easter. Remmers Compact Opaque PU topcoat was selected for the job due to its performance characteristics and suitability to coastal locations.

Products and Systems Used

Sealing Primer
Compact Opaque PU
AF-920 Joint Sealer
Fast Filler
AW-910 End Grain Sealer

Client

Red Wharf Bay Sailing & Watersports Club

Completion

March 2017
