Description

As part of the refurbishment of the existing electronics factory, there was requirement for a durable anti-static floor system.

Problem

Remmers Epoxy ESD Color 3K was installed by specialist contractor Larsen Contracts over a 24 hour period using fast-cure Epoxy Quick 100. Epoxy ESD 3k is an ESD compliant epoxy screed system, which is highly durable with a seamless finish.

Product systems / sizes used

› **Epoxy Quick 100**
Art. No. 0899

› **Epoxy ESD Color 3K**
Art. No. 6668

› **Epoxy Conductive**
Art. No. 6671
